THE FOR AIDS EXHIBITION

Early in 1988 we had a strong feeling that we should be doing something more to help people with AIDS.

Being artists decided us to make an exhibition of our Pictures and donate the entire proceeds to CRUSAID. Anthony d'Offay immediately welcomed the idea and promised to donate the gallery's share as well.

In making these Pictures the forms and meanings in them brought us to a new understanding of the importance of the freedoms of life. In these pictures we provide an opportunity to think and feel a new openness and compassion towards the human person.
