'IDIOT AMBITION'

Dedicated to
DR. AMMANN

*There were two young men so polite
Polite in the way that they moved*

*Their mothers had told them to wait
But their chances, the boys felt, were great*

*Good-morning dear dad it is now time to rise
The two sweeties await your surprise*

*Whilst the birds whistle tunefully outside on the fence
The young men sleep on without sense.*

Goodbye for now

Gilbert and George
